Mr Rama Rao's case had come up for consideration a few months back and Govt were pleased to pass orders on the 27th Oct 1923 that in view of the fact he had been drawing more than Rs 300/- for more than three years as acting Asst Geologist & that but for retrenchments he would have become an Asst Geol

he may be given, as a special case, the maximum pay of the grade of Sub Asst. Geologists viz Rs 250/- per mensem. It will thus be seen that all the considerations now urged were before Govt & were duly considered. It is for orders whether the Govt are prepared to reconsider their order passed hardly a month back and grant an additional Rs 50/- as personal allowance to Mr Rama Rao.

To
T. E. Jeyarama Iyer, Esq., B.A., B.L.,
Revenue Secretary to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

Sir,

I have the honour to forward herewith for favorable consideration of Government a representation dated 29th October 1923, of Mr. B. Rama Rao, Sub Assistant Geologist of the Department and to state as follows:-

Mr. B. Rama Rao, represents that he has held the post of Assistant Geologist, for more than 3 years and that he has drawn the salary in the grade of Rs.300 - 350 for 3 years and 2½ months prior to his reversion. He points out that the principle laid down in para 2 of Government Order No. 2637/O.E. 12-22-18, dated 9th November 1922, governing the grant of personal allowance is applicable to his case since he has drawn his salary at Rs.300/- or more for more than 18 months and it is on this consideration the Government allowed him to draw the minimum pay of an Assistant Geologist viz., 300/- Rupees, during the tenure of his post as an Acting Assistant Geologist, during the absence of Mr. Balaji Rao, on leave. He requests the Government to kindly apply the principle to his case and treat the difference of his pay of Rs.50 as personal allowance to him from the date of his reversion.

N

In my opinion the claim of Mr. B. Rama Rao, for a

P.T.O

salary of Rs.300/- (250 + 50 personal allowance) a month is reasonable. I request the Government to kindly apply to his case the principle laid down in the Government Order referred to above and permit him to draw his salary at Rs.250/-+50/- personal allowance, per mensem, with effect from the 11th October 1923, the date of his reversion as Sub Assistant Geologist.

I have the honour to be,

B A N G A L O R E.

Sir,

In continuation of my representation to the Government dated 16th July 1923, I am unfortunately compelled to trouble you once more to bring the following facts of my case for their generous reconsideration.

While respectfully thanking the Government for having permitted me to draw the maximum pay of Rs.250/- in the grade of a Sub Assistant Geologist, I am constrained to point out that what apparently might be termed a nominal increase of my salary, will be virtually a further reduction of my actual present pay of Rs.300/-. Besides I have to submit that my N case had been previously decided by G.O.No.I.C.4099-4102/Geol 19-22-30, dated 29th December 1922, wherein the Government in k virtue of their order No.O.2637/O.E. 12-22-15 dated 9th November 1922, governing the grant of personal allowance in case of such reversion, permitted me to draw Rs.300/- per mensem in consideration of my having drawn that salary and more for the preceeding two years of the date of that order. I crave leave to submit that when the Government generously allowed me to draw Rs.300/- on that consideration, it stands much more to reason that I should be entitled to draw at least that salary if not more, when I have been drawing the same for the preceeding three years and more. There has been a precedent in my case and I respectfully solicit the Government to kindly allow me to continue at least in that salary, treating the difference of 50/- rupees as personal allowance to me from the date of my reversion, and thus save me from the undue hardshi which will be otherwise created.

In addition, I have to bring out to the kind notice of the Government that the cadre of higher appointments is very

P.T.O.

very limited in this small department, and vacancies will be few and far betweer and as such with a deferred hope for an in-definite period, of again attaining the grade, or drawing the salaries I had been getting for years, my future prospects in the department, as things stand at present will be very limited.

For these reasons I solicit the Government to generously view my case from broad considerations, this renewed representation being only to the effect of claiming for a continuation of the salary which I have been drawing for the last three years and three months and not for an unjust or undue clamour for anything higher in salary or position which I have not had till now. I humbly request them to reconsider my case favourably and avert the hardship which has been created by this order.

I beg to remain,
Sir,
Your most obedient servant,
B Rama Rao.
